RE: Listing of Individuals who have been Denied a Gaming License, been Found Unsuitable for Licensure or had a Gaming License or Finding of Suitability Revoked by the Nevada Gaming Commission

=====

In accordance with NRS 463.165(8), which requires that the State Gaming Control Board provide licensees with a list of individuals who have been denied a license, been found unsuitable or had a license or finding of suitability revoked by the Nevada Gaming Commission, attached is an alphabetical listing of individuals who have met the referenced criteria since 1980.

This list supersedes the one distributed by memorandum dated June 28, 2002, and is being redistributed to correct a clerical oversight and include the name of **EUGENE CLEVELAND CANEPA**. The Commission denied his application for a finding of suitability as a landlord at their meeting on October 26, 1995, however, previous listings did not reflect this individual. **As the Commission enters additional denials, revocations or findings of unsuitability, the attached will again be updated and redistributed.**

Should you require further information on specific individuals, please contact the Board's Executive Secretary, Marilyn Epling, in Carson City at (775) 684-7750 for assistance in acquiring transcripts of hearings or other public information, which may be available regarding the listed individuals.
